

AMENDMENT(S) TO THE SPECIFICATION

Please replace the paragraph [0013] on page 3, with the following rewritten paragraph:

[0013] On the seabed, a first array of 6 seabed transponders are is arranged around the target position. A second array ~~are~~ is arranged on the seabed around the predicted TDP upstream from the target position at a distance D' greater than L . If need be, an intermediate transponder can be arranged in between the two arrays for allowing communication between them.
